Exterior paint guidelines

In accordance with the ACC guidelines, and in order to maintain the existing character of the neighborhood, the ACC will review and approve all requests for exterior house painting prior to the work beginning.

1. Colors should generally be neutral and earth tones. Other colors will be considered, but any paint color approved must be in harmony with neighboring properties.
2. Bright stand-alone colors are not acceptable.
3. Painting of any brick or concrete surfaces is prohibited.
